

## **Small Shop Registration Discount Program**

This year, AFP Massachusetts Chapter will offer a small shop discounted registration fee for nonprofit professionals from small shops (as defined below) who want to attend the 2016 AFP MA Conference on Philanthropy on October 26, 2016.

To be eligible as a “small shop,” a nonprofit must have an overall organizational budget of \$5,000,000 or less. Qualified candidates may request a registration discount code at any time by writing to the chapter office at [info@afpmass.org](mailto:info@afpmass.org).

In most cases, a small shop will not need to provide proof of the organizational budget. However, the chapter does reserve the right to request more information or proof of the eligibility of the small shop.

This discount program is useful to non-members only; member rates are generally lower than either the Large Shop Registration Discount Program or Small Shop Registration Discount Program.

Full scholarships are also available for those who qualify. For questions regarding our scholarship application process, please see our website or contact the chapter office at 781-894-3140 or by email [info@afpmass.org](mailto:info@afpmass.org).
